Community Discussion on Substance Abuse

MORGANTOWN – The Monongalia Substance Abuse Prevention Coalition is continuing its fight against the misuse of drugs and alcohol by hosting a community conversation on Tuesday, September 27.

The public is invited to engage in small group discussions about the opportunities available within the county to help those who are struggling with drug addictions.

"We hope our upcoming community conversation will raise concern and hope, and foster engagement on the prevention of underage drinking and prescription drug abuse in Monongalia County," said Diane Rogers, the coordinator of the Partnership for Success, also hosting the event.

Lunch will be provided at the event, being held from 12:00 pm to 2:00 pm, at the Hazel Ruby McQuain Conference Center in Mon General Hospital.

This event is sponsored by the Monongalia County Adult and Youth Prevention Coalitions and the Harrison County Family Resource Network, with supportive grant funding from the U.S. DHHR and several other supporting partnerships.
